OC Transpo offers **over 9,000 free parking spaces** across Ottawa and nearby rural areas, including hundreds of new spaces in the south at Leitrim and Bowesville stations. Let us do the driving while you save money on parking and gas.

Park & Rides offer easy access to major stations with frequent service, especially in rush hour, and direct connections to the **O-Train**, downtown and other major destinations.

Our lots have **free accessible spaces** and some have **EV charging stations**. While many of our spaces are free, a few of our lots require a permit that can be purchased for a monthly fee. Learn more at octranspo.com/ParkAndRide.
